LOCAL SUPPLY. PROVEN EXPERIENCE.

Local supply. Technical strength.

Parts, equipment and technical support for Central Queensland projects and operations.

Established in 2014, BMAS Biloela is a locally owned, female-led business supplying parts, consumables, equipment and technical services across Central Queensland.

Our Biloela base brings together a dedicated parts team, workshop facilities and mobile field service support for customers operating mixed fleets and equipment.

Mobile plant servicing at BMAS Biloela.

PEOPLE, SYSTEMS & SUPPLIER INFORMATION

Local people. Accountable operations.

Kye Robinson
2024 MTA Queensland
Apprentice of the Year

Inclusive employment. Local skills.

BMAS is a female-led business with a multicultural team. We employ female apprentices and support inclusive employment for people with diverse abilities and additional support needs.

Apprenticeships, school work experience and ongoing technical training help build skilled careers in regional Queensland. We support development from apprentice through to qualified tradesperson.

Safety & competency

Documented safe work procedures, training and hazard reporting support safe workshop and field operations.

Quality & environment

A focus on quality workmanship and responsible management of waste, oils, batteries and refrigerants.

Responsible business

Our modern slavery statement and supplier expectations support ethical conduct and responsible sourcing.

Insurance & credentials

Public and product liability
Professional indemnity
WorkCover workers' compensation

AIS 11097 | ARC AU44326

Warranty support

Manufacturer warranties apply to supplied products and equipment, under the manufacturer's terms.

Repco Authorised Service: Eligible light vehicle servicing and repairs carry an Australia-wide warranty of 12 months or 20,000 km, whichever comes first. Terms apply.
